2 How schools in the U.S. are organized

美国的学校是如何组织的

ENGLISH

School is **free and required** for every child, usually from age 5 or 6 to 16–18 (it depends on the state). You do not need to be a citizen, and the school cannot ask your immigration status to enroll you. Public schools are run by a local **school district**, and each state sets its own rules — so a few details will be different where you live.

中文

上学对每个孩子都是**免费且必须的**，通常从 5 或 6 岁到 16–18 岁（视各州规定而定）。你不需要是公民，学校也不能为了给你注册而询问你的移民身份。公立学校由当地的**学区**管理，每个州有自己的规定——所以有些细节会因你居住的地方而不同。

The grade levels · 年级

School · 学校	Grades · 年级	Ages · 年龄	What it is like · 是什么样的
Elementary school 小学	K (kindergarten) – 5	5–11	One main teacher, one classroom, recess (play time). 一位主要老师，一间教室，有课间休息。
Middle school (junior high) 初中	6 – 8	11–14	Students change rooms and teachers for each subject; lockers; more homework. 每门课换教室和老师；有储物柜；作业更多。
High school 高中	9 – 12	14–18	Students earn credits toward a diploma. 9 = freshman, 10 = sophomore, 11 = junior, 12 = senior. 修学分以获得文凭。

Your grade is set by your age and past schooling, **not** by your English level. A 15-year-old newcomer goes to high school and gets English support *inside* that grade.

你的年级由你的年龄和以前的学习经历决定，**不是**由你的英语水平决定。一个 15 岁的新来学生会进入高中，并在那个年级之内获得英语支持。

Kinds of schools

- **Public** — free, paid by taxes, open to every child in the district. Most students go here.
- **Charter** — free and public, run by its own board; you apply.
- **Magnet** — public, with a special focus (science, arts, languages).
- **Private** — families pay tuition; religious schools are usually private.

学校的种类

- **公立学校** — 免费，由税收支付，向学区内每个孩子开放。大多数学生都在这里上学。
- **特许学校 (Charter)** — 免费且公立，由自己的董事会管理；需要申请。
- **磁石学校 (Magnet)** — 公立，有特定的专长方向（科学、艺术、语言）。
- **私立学校** — 家庭支付学费；宗教学校通常是私立的。

The school year

- About **180 days**, usually **August to May** (some states: September to June).
- Divided into **semesters** (2 halves) or **quarters / nine-weeks** (4 parts). Report cards come at the end of each.
- Breaks: Thanksgiving (late Nov.), winter break (~2 weeks, Dec.–Jan.), spring break (1 week), summer (June–Aug.).
- Monday–Friday, about 7:30–8:30 a.m. to 2:30–3:30 p.m.

Good to know: the U.S. uses the 12-hour clock (8:00 a.m., 2:45 p.m.), Fahrenheit temperatures, and letter grades A–F. "College" means university. "Grade" means both your year in school (9th grade) and your score (a grade of B).

学年

- 大约 **180 天**，通常从 **8 月到 5 月**（有些州是 9 月到 6 月）。
- 分为**学期**（2 个半年）或**季度 / 九周**（4 个部分）。每个阶段结束时发成绩单。
- 假期：感恩节（11 月底）、寒假（约 2 周，12 月–1 月）、春假（1 周）、暑假（6 月–8 月）。
- 周一至周五，大约从早上 7:30–8:30 到下午 2:30–3:30。

小知识：美国使用 12 小时制（8:00 a.m., 2:45 p.m.）、华氏温度和 A–F 字母成绩。“College”指大学。
“Grade”既指你所在的年级（9th grade），也指你的分数（a grade of B）。

ENGLISH

What to bring to enroll

Go to the school office or the district enrollment center. Bring what you have — **missing papers cannot stop you from starting school.**

- ☐ **Proof of age** — birth certificate, passport, or any official record
- ☐ **Proof of address** — lease, utility bill, or a letter from the person you live with
- ☐ **Vaccine record** — the nurse can help you get missing shots, often free
- ☐ **Past school records** — in any language; they place you in the right grade and can give you credit
- ☐ **Parent/guardian photo ID** — a Social Security number is **not** required

You will fill out a **Home Language Survey**. If another language is spoken at home, the school tests your English and may offer EL services. That is support, not punishment.

People who will help you · 会帮助你的人

Principal	Leads the school. Assistant principals handle discipline and schedules.
Counselor	Makes your schedule, helps with problems, plans graduation and college. Go here first.
EL / ESL teacher	Teaches you English and helps your other teachers support you.
Office secretary	Absence notes, forms, late passes, calling home.
Nurse	Illness, medicine, vaccine records.
Interpreter / liaison	Translates for families. Ask for one — it is your right and it is free.

- ☐ **家长/监护人的带照片身份证件** — **不需要社会安全号码**

你将填写一份**家庭语言调查表**。如果家里说另一种语言，学校会测试你的英语，并可能提供 EL 服务。这是支持，不是惩罚。

辅导员	为你安排课表、帮你解决问题、规划毕业和升学。 先从这里开始。
EL / ESL 老师	教你英语，并帮助你的其他老师支持你。

三句打开大门的话： "Can you say that again, please?"（您能再说一遍吗？） · "Can you show me?"（您能给我示范一下吗？） · "I need help. Who can I ask?"（我需要帮助。我可以问谁？） 老师本来就期待新生提问。没有人会不高兴。

4 A typical school day

典型的一天

A middle / high school day · 初中或高中的一天

Times are examples. Elementary students stay with one teacher and have recess instead of changing rooms. · 时间仅为示例。小学生跟随一位老师，有课间休息，不需要换教室。

7:15	Bus or drop-off. Be at the stop 5 minutes early; the bus does not wait.
7:45	First bell. Go straight to 1st period. Arriving after the bell = tardy .
7:50–9:20	Periods / blocks. 4–7 classes a day, 50–90 min. each. You move; the teacher stays.
3–5 min	Passing time between classes. Use the bathroom and locker now.
11:30	Lunch in the cafeteria (30 min.). Buy, or bring food from home. Free/reduced lunch: page 6.
2:45	Dismissal. Buses leave within 10 minutes.
3:00–5:00	After school: sports, clubs, tutoring, band. Free and open to you.

7:15	校车或送到学校。 提前 5 分钟到站；校车不会等人。
7:45	第一遍铃。 直接去第 1 节课。铃响后到达 = tardy (迟到)。
7:50–9:20	课节 / 课块。 每天 4–7 节课，每节 50–90 分钟。你换教室；老师不动。
3–5 min	课间换教室时间。 趁现在上厕所、去储物柜。

2:45	放学。 校车 10 分钟内发车。
3:00–5:00	课后活动： 体育、社团、辅导、乐队。免费，向你开放。

Things that surprise newcomers

- **Hall pass:** to leave class you ask the teacher and carry a pass.
- **Lockers** have a combination lock. Write the numbers down; practice at home.
- **Announcements** and the Pledge of Allegiance come over a speaker each morning. Standing is customary; you may stay silent.
- **Fire drills, tornado drills, lockdown drills** are practice. Follow the teacher quietly.
- **Students eat with friends**, not by class. It is OK to sit with anyone, and to ask "Can I sit here?"
- **PE (physical education)** may require changing clothes in a locker room.
- **Homework** is daily in most classes and counts toward your grade.

If you are absent

- A parent calls or writes a note the **same day** — the school will call home otherwise.
- Ask every teacher for the **make-up work**. You usually get as many days as you missed.
- Many absences (even excused) can trigger a meeting or affect credit. Attendance matters a lot in the U.S.

让新生感到意外的事

- **走廊通行证：**要离开教室，需要向老师请求许可并带上通行证。
- **储物柜**使用密码锁。把号码记下来；在家练习。
- **广播通知**和效忠誓词每天早上通过扬声器播放。习惯上大家会起立；你可以保持沉默。
- **火灾、龙卷风和封锁演习**都是练习。安静地跟着老师走。
- **大家和朋友一起吃饭**，不按班级坐。你可以坐在任何人旁边，并问 "Can I sit here?"
- **体育课 (PE)** 可能需要在更衣室换衣服。
- **作业**几乎每门课每天都有，并计入成绩。

如果你缺课

- 家长要在**当天**打电话或写请假条——否则学校会给家里打电话。
- 向每位老师索取**补做作业**。通常缺几天就有几天的补做时间。
- 缺课太多（即使有正当理由）可能导致约谈或影响学分。在美国，出勤非常重要。

Cell phones: most schools now require phones off and away during class — some all day. Check your school's rule the first week so you never lose it to the office.

手机：大多数学校要求上课时手机关机并收起来——有些学校全天如此。第一周就了解你学校的规定，这样手机就不会被没收。

5 Classes, grades and graduation

课程、成绩和毕业

Letter grades · 字母成绩

A 90–100 Excellent · 优秀	B 80–89 Good · 良好	C 70–79 Average · 中等	D 60–69 Passing, weak · 勉强及格	F below 60 Failing · 不及格
--------------------------------------	--------------------------------	-----------------------------------	---	---------------------------------------

Some districts use other cut-offs (A = 93+). Your grade in a class mixes homework, class work, quizzes, tests and projects — so **turning in every assignment** matters as much as test scores. A missing assignment is a 0.

有些学区使用不同的分数线 (A = 93+)。一门课的成绩由作业、课堂作业、小测验、考试和项目综合而成——所以**交齐每一份作业**和考试成绩同样重要。没交的作业算 0 分。

Words on your report card

- **Report card** — grades for each class, every quarter or semester.
- **Progress report** — a mid-term warning of how you are doing.
- **GPA** (grade point average) — your grades as a number, 0–4.0. A = 4, B = 3, C = 2, D = 1. Colleges look at it.
- **Transcript** — the official list of every high school class and grade.
- **Honor roll** — a list of students with high grades. Celebrate it!

成绩单上的词

- **Report card** — 成绩单，每个季度或学期列出每门课的成绩。
- **Progress report** — 期中进度报告，提醒你目前的表现。
- **GPA** (平均绩点) — 用数字表示的成绩，从 0 到 4.0。A = 4, B = 3, C = 2, D = 1。大学会看这个。
- **Transcript** — 正式成绩记录，列出高中所有课程和成绩。
- **Honor roll** — 光荣榜，表彰成绩优异的学生。值得庆祝！

Graduating from high school · 高中毕业

Requirement · 要求	English	中文
Credits · 学分	Most states require about 22–26 credits . One year-long class = 1 credit. You need 4 English, 3–4 math, 3–4 science, 3–4 social studies, plus electives.	大多数州要求大约 22–26 个学分 。一门全年课程 = 1 个学分。你需要 4 个英语、3–4 个数学、3–4 个科学、3–4 个社会研究，再加上选修课。
Passing · 及格	A D or better usually earns the credit. An F means retaking the class (summer school or credit recovery).	通常 D 或以上就能获得学分。F 意味着要重修这门课（暑期学校或学分补修）。
State tests · 州考试	Some states require end-of-course tests in English, algebra, biology or U.S. history. EL students may get extra time or a bilingual dictionary.	有些州要求英语、代数、生物或美国历史的课程结业考试。EL 学生可以获得额外时间或双语词典。
Diploma vs. GED	A diploma comes from finishing high school. A GED is a test adults can take instead. The diploma is better for college and jobs.	文凭是完成高中后获得的。GED 是成年人可以参加的替代考试。文凭对上大学和找工作更有利。

Kinds of classes

- **Required / core** — English, math, science, social studies.
- **Electives** — your choice: art, band, computer science, Spanish, welding, culinary...
- **Honors, AP, dual credit** — harder classes that can earn college credit. Ask your counselor; EL students can take them.
- **ESL / ELD** — your English development class. It counts for credit.

Credits from your home country count. Bring any transcript or report card, even without a translation. Your counselor and EL teacher can evaluate it and give you credit for classes you already passed.

课程的种类

- **必修 / 核心课** — 英语、数学、科学、社会研究。
- **选修课** — 由你选择：美术、乐队、计算机、西班牙语、焊接、烹饪……
- **Honors、AP、双学分** — 难度更高、可获得大学学分的课程。问问辅导员；EL 学生也可以选修。
- **ESL / ELD** — 你的英语发展课。计入学分。

你在原来国家修的学分也算数。带上任何证书或成绩单，即使没有翻译。辅导员和 EL 老师可以评估它，并为你已经通过的课程给你学分。

6 Your rights and EL support

你的权利和英语学习者支持

Six rights every student has, by U.S. law · 美国法律保障每个学生的六项权利

A free public education

Every child living in the district can enroll, whatever their immigration status (*Plyler v. Doe*, 1982). Schools may not ask for papers or a Social Security number.

Educación pública gratuita para todo niño del distrito, sin importar su estatus migratorio. No pueden pedir papeles ni número de Seguro Social.

Language help in school

Schools must give English learners real language instruction and access to the same classes as everyone (Civil Rights Act Title VI; *Lau v. Nichols*; EEOA).

La escuela debe dar instrucción de inglés real y acceso a las mismas clases que los demás.

Information in your language

Important notices — enrollment, grades, discipline, special education, meetings — must be translated or interpreted for parents, free.

Avisos importantes traducidos o interpretados para los padres, gratis.

Free or low-cost meals

Families with lower incomes get free or reduced-price breakfast and lunch. One form, in the office, in your language. Some schools feed everyone free.

Desayuno y almuerzo gratis o a bajo costo. Un solo formulario, en la oficina, en tu idioma.

Help for disabilities

If learning is hard for reasons beyond language, you can be evaluated for an IEP or 504 plan. Being an EL is **not**

a disability, and cannot block the evaluation.

Si aprender es difícil por razones más allá del idioma, puedes ser evaluado para un IEP o plan 504.

A safe school

Bullying, harassment and discrimination because of your language, country or religion are against the law. Report it to any adult; the school must act.

El acoso y la discriminación por tu idioma, país o religión son ilegales. Repórtalo a cualquier adulto.

What EL support looks like

- **The test:** after the Home Language Survey, you take a short English screener. If you qualify, you are an **English learner (EL)**.
- **Levels:** most states use levels 1 (beginning) to 5 (advanced). Your level sets your supports — it does not lower your grade.
- **Services:** an ESL/ELD class, a co-teacher in content classes, sheltered classes, or a bilingual program. Parents may decline services, but the school must still help you.
- **Accommodations** on class work and state tests: extra time, a bilingual dictionary, directions read aloud, small group.
- **Yearly test** (ELPA21, WIDA ACCESS, ELPAC...) each spring measures listening, speaking, reading and writing. Reach the exit score and you leave the program, then get 2–4 years of monitoring.

EL 支持是什么样的

- **测试:** 填完家庭语言调查表后, 你会做一个简短的英语测试。如果符合条件, 你就是**英语学习者 (EL)**。
- **等级:** 几乎所有州都使用从 1 (初级) 到 5 (高级) 的等级。你的等级决定你获得的支持——不会降低你的成绩。
- **服务:** ESL/ELD 课、内容课上的协同教师、庇护式课程或双语项目。家长可以拒绝这些服务, 但学校仍必须帮助你。
- 课堂作业和州考试中的**便利措施:** 额外时间、双语词典、朗读指令、小组考试。
- **年度测试** (ELPA21、WIDA ACCESS、ELPAC……) 每年春季测量听、说、读、写。达到退出分数后你就离开该项目, 然后接受 2–4 年的跟踪。

If something feels wrong: ask the counselor first, then the principal, then the district's EL coordinator or Title III director. You can also file a complaint with the state department of education or the U.S. Office for Civil Rights. Write down dates and names.

如果感觉哪里不对：先找辅导员，然后找校长，再找学区的 EL 协调员或 Title III 主任。你也可以向州教育部或美国民权办公室投诉。记下日期和人名。

7 Classroom culture and unwritten rules

课堂文化和不成文的规则

What may be different from your old school · 可能与你原来学校不同的地方

Topic · 主题	In most U.S. schools...	在大多数美国学校.....
Speaking up 发言	Teachers want you to ask questions, give opinions and even disagree politely. Raise your hand and wait to be called on. Silence can look like not caring.	老师 希望 你提问、发表意见，甚至礼貌地提出不同看法。举手并等待被点名。沉默可能会显得不在乎。
Respect 尊重	Students call teachers "Mr. / Ms. + last name." Looking an adult in the eye is a sign of respect, not defiance. Standing when a teacher enters is not expected.	学生称呼老师为 "Mr. / Ms. + 姓"。看着成年人的眼睛是尊重，不是挑衅。老师进教室时不需要起立。
Group work 小组作业	Very common. Everyone is expected to talk and share the work. Helping on a test, though, is cheating.	非常常见。每个人都要发言并分担工作。但在考试中帮助别人就是作弊。
Honesty 诚实	Copying homework, copying from the internet, or using AI to write for you is plagiarism and can mean a 0 or worse. Use your own words; cite sources.	抄作业、从网上复制或让 AI 替你写都是 抄袭 ，可能得 0 分或更严重的后果。用自己的话写；注明出处。
Personal space 个人空间	People stand about an arm's length apart. Hugs and kisses on the cheek are not common greetings at school; a smile, a nod or "Hey" is.	人们通常站在一臂远的距离。拥抱和亲脸颊在学校不是常见的问候方式；微笑、点头或说 "Hey" 才是。
Time 守时	On time means <i>before</i> the bell. Deadlines are real: late work often loses points every day.	准时意味着在铃响之 前 到。截止日期是认真的：迟交的作业通常每天都会扣分。
Dress code 着装规定	Most schools have rules (no hats inside, covered shoulders/midriff, no offensive words). Some require uniforms. Ask for the handbook.	大多数学校都有规定（室内不戴帽子，遮住肩膀和腹部，不能有冒犯性文字）。有些学校要求穿校服。可以索取学生手册。

Discipline: how it usually works

- **Warning → call home → detention → ISS → OSS.**
Detention is staying after school. ISS (in-school suspension) is a day in a separate room. OSS (out-of-school) means you stay home — and may miss work.
- Fighting, weapons, drugs and threats are the most serious. Even "joking" threats are taken seriously.
- You and your parents have the right to hear the reason, in your language, and to tell your side.

纪律处分：通常如何进行

- **警告 → 通知家长 → 留校 → ISS → OSS.** 留校 (detention) 是放学后留下来。ISS (校内停课) 是在单独的教室待一天。OSS (校外停课) 是待在家里——并且会错过功课。
- 打架、武器、毒品和威胁是最严重的。即使是“开玩笑”的威胁也会认真对待。
- 你和你的父母有权用自己的语言了解原因，并说明自己的情况。

Making friends

- Join **one thing**: soccer, band, art club, robotics, a church group. Friendships in the U.S. often start in activities, not in class.
- Sit with the same people at lunch two days in a row — that is how a table becomes yours.
- Your language and your country are interesting to others. Share them.
- Feeling lonely or sad for the first months is normal. Tell the counselor; that is their job.

Keep your first language. Reading, writing and thinking in it makes your English stronger, not weaker. Bilingual graduates earn more and many states give a **Seal of Biliteracy** on the diploma.

交朋友

- 参加**一项活动**：足球、乐队、美术社、机器人社、教会小组。在美国，友谊通常从活动开始，而不是在课堂上。
- 连续两天午餐时和同样的人坐在一起——这样一张桌子就变成你的了。
- 你的语言和你的国家对别人来说很有意思。和大家分享。
- 最初几个月感到孤单或难过是正常的。告诉辅导员；这正是他们的工作。

保留你的第一语言。用它阅读、写作和思考会让你的英语更强，而不是更弱。双语毕业生收入更高，许多州还会在文凭上授予**双语读写能力印章（Seal of Biliteracy）**。

8 For families

给家庭

In the U.S., schools expect parents to be **partners**. Teachers are not offended by questions — they read it as caring. You do not need perfect English, a car, or free time during the day to be involved.

How the school will contact you

- **Phone calls and texts** — automated absence calls, weather closings, emergencies. Keep your number updated in the office.
- **A parent app or portal** (PowerSchool, Skyward, ParentSquare, ClassDojo, Remind...) with grades, attendance and messages. Ask the office to set it up in your language.
- **Papers in the backpack** — permission slips, field trips, picture day. Check it every night; sign and return.
- **Email** — most teachers answer within a day. Short is fine: "Hello, I am Ana's mother. How is she doing in math? Thank you."

Meetings you will be invited to

- **Open house / Back-to-School Night** (August–September) — walk your child's schedule and meet every teacher. Go.
- **Parent-teacher conferences** (fall and spring) — 10–15 minutes per teacher. Ask: What is my child doing well? What should we practice at home? How can I reach you?
- **EL / LPAC meeting** — about English placement and services. You may bring someone you trust.
- **IEP / 504 meeting** — only if your child is evaluated for extra support. You are a full member of the team.
- **You can request a meeting any time.** An interpreter must be provided free — ask when you schedule.

在美国，学校期待家长成为**合作伙伴**。老师不会因为你提问而反感——他们认为这是关心。参与并不需要完美的英语、汽车或白天的空闲时间。

学校会如何联系你

- **电话和短信** — 自动缺勤电话、天气停课、紧急情况。请在办公室保持你的电话号码是最新的。
- **家长应用或门户** (PowerSchool、Skyward、ParentSquare、ClassDojo、Remind……)，可查看成绩、出勤和消息。请办公室帮你设置成你的语言。
- **书包里的纸张** — 同意书、校外活动、拍照日。每晚检查；签字并交回。
- **电子邮件** — 几乎所有老师都会在一天内回复。简短就好："Hello, I am Ana's mother. How is she doing in math? Thank you."

你会被邀请参加的会议

- **开放日 / 返校之夜** (8月–9月) — 按孩子的课表走一遍，见见每位老师。一定要去。
- **家长会** (秋季和春季) — 每位老师 10–15 分钟。可以问：我的孩子哪方面做得好？我们在家应该练习什么？我怎么联系您？
- **EL / LPAC 会议** — 关于英语分级和服务。你可以带一位信任的人一起来。
- **IEP / 504 会议** — 仅当你的孩子被评估是否需要额外支持时才有。你是团队的正式成员。
- **你可以随时要求开会。** 学校必须免费提供口译员——预约时就提出。
