INSIDE THIS ISSUE

16 grammar features take you from first sentences to strong connected ideas. Realistic school scenes. English-Spanish supports. Two levels on every practice page.

NEWCOMER

Word banks, models, and guided practice.

Grammar + sentence building / Gramática + construcción de oraciones

PROGRESSING

Editing, expansion, and independent writing.

How to use this packet

Same grammar goal. Different language supports. Flexible paths.

Name / Nombre: _____

Date / Fecha: _____

A 20-30 MINUTE ROUTINE

- 1. Notice (3 min):** Observe the photo. Read the feature and model aloud.
- 2. Model (4 min):** Build one example; point to the subject and verb.
- 3. Practice (8-12 min):** Students use either lane; change lanes as needed.
- 4. Talk (3-4 min):** Partners rehearse the shared task before writing.
- 5. Check (2-3 min):** Review one sentence and give one specific next step.

SUPPORT WITHOUT LOWERING THE GOAL

Read prompts aloud. Let students point, gesture, or rehearse in Spanish before saying the English sentence. Newcomers may dictate first, then copy and revise. Progressing students explain a choice and add meaningful details. A student may need different lanes for different skills.

PACKET MAP

Pages 3-8: sentence parts, pronouns, be, articles, plurals, adjectives.

Pages 9-14: routines, negatives, questions, now, past, future plans.

Pages 15-18: location, connectors, repair, sentence expansion.

Page 19: shared writing project. **Page 20:** before/after check.

Pages 21-25: teacher answers, scoring, and feedback guidance.

FEEDBACK THAT HELPS / RETROALIMENTACIÓN ÚTIL

Say: "Your subject is clear. Check the verb after she."

Ask: "Can you show who does the action?"

Check: **meaning → complete thought → target form → conventions.**

Use the final check for classroom growth; it is not a standardized proficiency score.

STUDENTS: Read the model. Try your lane. Say it. Write it. Check it.
